

Mil-Tree Presents

# A Wednesday Writing Workshop

**Dates:** Wednesday, Oct 2nd to Nov 27th

**Time:** 7 pm – 9 pm

**Place:** Lutheran Church of the Desert

6336 Hallee Rd, Joshua Tree, CA 92252

**Facilitated by writer Gabriel Hart**

Gabriel Hart is an author and musician from Morongo Valley, CA. His surrealist-noir “twin” novel *Virgins In Reverse/The Intrusion* (Traveling Shoes Press, 2019) intertwines two deceptive morality tales, where young alcoholism clashes with the naivete of domestic idealism. Hart is also a regular contributor to Space Cowboy’s Simultaneous Times sci-fi podcast, and has had works published in *Cholla Needles*, *The Howl* anthology (Copper Mountain College), the *Desert Writers Guild Anthology*, as well as the upcoming issue of *Luna Arcana*. Hart is also hard at work on his second novel, *Lies of Heaven*, a populist natural disaster tale that takes place in our own Morongo Basin.
